

# Cargo Screening Magnetron Transmitters

## Communications & Power Industries Magnetron Transmitters

CPI Beverly Microwave Division manufactures X-band magnetron modulators for use with cargo screening accelerators.

With a history of producing high quality products, we can help you with your magnetron transmitter.

Contact us at [BMDMarketing@cpil.com](mailto:BMDMarketing@cpil.com) or at call us at +1 978-922-6000.

### FEATURES:

- Uses the CPI VMX3045 magnetron as the RF output device
- 400 kW peak / 400 W average output power
- Excellent frequency stability
- Compact power supply design with excellent reliability
- Safe operation in any orientation
- Air cooled
- Rugged construction

### BENEFITS:

- Compact power supply design with excellent reliability
- Safe operation in any orientation
- Low maintenance - solid state modulator
- Local and remote control and monitoring available

### APPLICATIONS:

- Cargo screening

### Typical Operating Parameters

Frequency (GHz)	Peak Power (KW)	Duty
9.3	350 kW	0.001
